

International Bibliography of the Social Sciences (IBSS) ECONOMICS Search-by-Subject Guide

This resource is one in a series of IBSS Search-by-Subject Guides

About the IBSS Online service

The International Bibliography of the Social Sciences (IBSS) is a large interdisciplinary research database covering all aspects of **Economics**, Political Science, Sociology and Anthropology. The IBSS has been compiling bibliographies since 1951 and now boasts a database containing over 1,700,000 records. Updated weekly, the IBSS provides references to the most recent research in the social sciences. Access to the IBSS is available at <http://www.bids.ac.uk> and is *free* to members of higher education institutions in the United Kingdom. An ATHENS username – available from your library - is required to access the IBSS.

How to search on IBSS Online

For the very best results, use the [advanced search](#) which offers more options for controlling your searches. The following guidelines are for use within the [advanced search](#) option.

To limit your search to Economics, scroll down and click on **Economics** in the disciplines drop-down box. The [advanced search](#) option also has drop-down boxes to help you limit your search by **language**, **document type** and **publication year**.

At the [top](#) of the search page, enter a word or expression in the "Search for" field. The system will find and display all occurrences of your specified word or expression in any **title** or **abstract**, or in the IBSS list of controlled terms (**keywords**). You can also choose to run your search on **titles** only.

You can control the subject of your search using the following short-cut keys. You can also combine these short-cut keys to further control your searches:

Short-cut key	Type:	To find:
?	privati?ation	privatization and privatisation
*	region*	regions, regionalization, regionalism, etc...
+	agricultural+production	agricultural <i>and</i> production
-	trade–exports	trade <i>and not</i> exports
,	industry,manufacturing	industry <i>or</i> manufacturing

IBSS Online also allows you to search on **journal** details (**titles**, **volume** and **issue** numbers and **ISSN** numbers), and on **book** details (**titles** and **ISBN** numbers). You can also perform searches on **authors** using the format **Name_Initial(s)** (e.g. Smith_D) and **corporate authors** (e.g. Bank of England). You can get help with your searches at any time by clicking on the **help** button, or by clicking on the orange-coloured links beside the search boxes.

Display and results

Each record can be **expanded** for full bibliographic details including abstracts where available. The **full text** link button will lead you to the full text online if your institution has a subscription. For the records that interest you, simply click on the button to **mark** them, then click on **email results** to send the list to yourself.
